Dear :

This letter responds to your authorized representative's letter dated June 4, 2020, and subsequent correspondence, requesting an extension of time under § 2642(g) of the Internal Revenue Code and § 301.9100-3 of the Procedure and Administration Regulations to elect out of the generation-skipping transfer (GST) exemption automatic allocation rules under § 2632(c) with respect to certain transfers to trusts.

The facts and representations submitted are as follows:

On Date 1 in Year 1 (a date before December 31, 2000), Husband established and funded GRAT 1, an irrevocable trust. GRAT 1 provided for the payment of an annuity to Husband for a term of years. Upon expiration of the term, GRAT 1 provided for allocation of the remainder to subtrusts, one for the benefit of each of Husband's a oldest Children (GRAT 1 Continuing Trusts). GRAT 1 Continuing Trusts have GST potential.

On Date 2 in Year 2 (a date before December 31, 2000), Husband established and funded GRAT 2, an irrevocable trust. GRAT 2 provided for the payment of an annuity to

Husband for a term of years. Upon expiration of the term, GRAT 2 provided for allocation of the remainder to subtrusts, one for the benefit of each of Husband's Children (GRAT 2 Continuing Trusts). GRAT 2 Continuing Trusts have GST potential.

Husband and Wife (Taxpayers) filed Forms 709 (United States Gift (and Generation-Skipping Transfer) Tax Return) for Year 1, signifying their consent to treat all of the gifts occurring in Year 1 as having been made one-half by each of them under § 2513. Taxpayers have not filed Forms 709 for Year 2 but represent that they will consent to treat all of their gifts in Year 2 as having been made one-half by each of them under § 2513.

For GST tax purposes, the estate tax inclusion period (ETIP) closed on Date 3 of Year 3 with respect to GRAT 1 and on Date 4 of Year 4 with respect to GRAT 2. Date 3 of Year 3 and Date 4 of Year 4 are dates after December 31, 2000. Taxpayers have not filed Forms 709 for Year 3 but did file Forms 709 for Year 4.

On Date 5 in Year 5 (a date after December 31, 2000), Husband established GRAT 3 and GRAT 4, both irrevocable trusts, and funded them. GRAT 3 and GRAT 4 each provided for the payment of an annuity to Husband for a term of years. Upon expiration of the respective terms, GRAT 3 and GRAT 4 provided for distribution of the remainder in unequal shares to GRAT 1 Continuing Trusts and GRAT 2 Continuing Trusts.

For GST tax purposes, the ETIP closed on Date 2 of Year 6 with respect to GRAT 3 and on Date 2 of Year 7 with respect to GRAT 4. Taxpayers have not filed Forms 709 for Year 5 but represent that they will consent to treat all of their gifts in Year 5 as having been made one-half by each of them under § 2513. Taxpayers also have not filed Forms 709 for Year 6 and Year 7.

Although Accountant served as Taxpayers' accountant at the close of the ETIPs of GRAT 1, GRAT 2, and GRAT 4, respectively, and Attorney served as Taxpayers' trusts and estates attorney at the close of the ETIP of GRAT 3, both Accountant and Attorney failed to advise Taxpayers of the rules under § 2632(c) regarding the automatic allocation of GST exemption and the ability to elect out of automatic allocation by making an election under § 2632(c)(5). As a result, Taxpayers did not elect out of automatic allocation for the transfers to GRAT 1, GRAT 2, GRAT 3, and GRAT 4.

Taxpayers request the following rulings:

1. An extension of time under § 2642(g) and § 301.9100-3 to elect out of the automatic allocation of GST exemption under § 2632(c)(5) for the Year 1 transfer to GRAT 1.
2. An extension of time under § 2642(g) and § 301.9100-3 to elect out of the automatic allocation of GST exemption under § 2632(c)(5) for the Year 2 transfer to GRAT 2.

3. An extension of time under § 2642(g) and § 301.9100-3 to elect out of the automatic allocation of GST exemption under § 2632(c)(5)(A)(i)(I) for the Year 5 transfers to GRAT 3 and GRAT 4.

Law and Analysis

Section 2513(a)(1) provides that a gift made by one spouse to any person other than his spouse shall be considered as made one-half by him and one-half by his spouse, but only if at the time of the gift each spouse is a citizen or resident of the United States. Under § 2513(a)(2), paragraph (a)(1) only applies if both spouses have signified their consent to the application of paragraph (a)(1) in the case of all such gifts made during the calendar year by either while married to the other.

Section 2601 imposes a tax on every GST. A GST is defined under § 2611(a) as, (1) a taxable distribution, (2) a taxable termination, and (3) a direct skip.

Section 2602 provides that the amount of GST tax is the taxable amount multiplied by the applicable rate. Section 2641(a) defines applicable rate as the product of the maximum federal estate tax rate and the inclusion ratio with respect to the transfer.

Section 2631(a) provides that, for purposes of determining the inclusion ratio, every individual shall be allowed a GST exemption amount which may be allocated by such individual (or his executor) to any property with respect to which such individual is the transferor. Section 2631(b) provides that any allocation under § 2631(a), once made, shall be irrevocable.

Section 2632(a)(1) provides that any allocation by an individual of GST exemption under § 2631(a) may be made at any time on or before the date prescribed for filing the estate tax return for such individual's estate (determined with regard to extensions), regardless of whether such a return is required to be filed.

Section 2632(c)(1) provides that if any individual makes an indirect skip during such individual's lifetime, any unused portion of such individual's GST exemption shall be allocated to the property transferred to the extent necessary to make the inclusion ratio for such property zero. If the amount of the indirect skip exceeds such unused portion, the entire unused portion shall be allocated to the property transferred.

Under § 2632(c)(3)(A), the term "indirect skip" means any transfer of property (other than a direct skip) subject to the tax imposed by chapter 12 made to a GST trust. Section 2632(c)(3)(B) provides, in part, that the term "GST trust" means a trust that could have a generation-skipping transfer with respect to the transferor unless an exception enumerated in § 2632(c)(3)(B)(i)-(vi) applies.

Section 2632(c)(4) provides that for purposes of § 2632(c), an indirect skip to which § 2642(f) applies shall be deemed to have been made only at the close of the ETIP.

The fair market value of such transfer shall be the fair market value of the trust property at the close of the ETIP.

Section 2632(c)(5)(A)(i)(I) provides that an individual may elect to have § 2632(c) not apply to an indirect skip. Section 2632(c)(5)(B)(i) provides that an election under § 2632(c)(5)(A)(i)(I) shall be deemed to be timely if filed on a timely filed gift tax return for the calendar year in which the transfer was deemed to have been made pursuant to § 2632(c)(4).

Section 26.2632-1(b)(2)(i) of the Generation-Skipping Transfer Tax Regulations provides that, in the case of an indirect skip made after December 31, 2000, to which § 2642(f) (relating to transfers subject to an ETIP) does not apply, the transferor's unused GST exemption is automatically allocated to the property transferred (but not in excess of the fair market value of the property on the date of the transfer). This automatic allocation is effective whether or not a Form 709 is filed reporting the transfer, and is effective as of the date of the transfer to which it relates. An automatic allocation is irrevocable after the due date of the Form 709 for the calendar year in which the transfer is made. In the case of an indirect skip to which section 2642(f) does apply, the indirect skip is deemed to be made at the close of the ETIP and the GST exemption is deemed to be allocated at that time.

Section 26.2632-1(b)(2)(ii) provides that, except as otherwise provided, the transferor may prevent the automatic allocation of GST exemption with regard to an indirect skip by making an election as provided in § 26.2632-1(b)(2)(iii).

Section 26.2632-1(b)(2)(iii)(A) provides, in relevant part, that a transferor may prevent the automatic allocation of GST exemption (elect out) with respect to any transfer or transfers constituting an indirect skip made to a trust or to one or more separate shares that are treated as separate trusts under § 26.2654-1(a)(1). A transferor may elect out with respect to one or more prior-year transfers subject to § 2642(f) (regarding ETIPs) made by the transferor to a specified trust or trusts.

Section 26.2632-1(b)(2)(iii)(B) provides that to elect out, the transferor must attach an election out statement to a Form 709 filed within the time period provided in § 26.2632-1(b)(2)(iii)(C). In general, the election out statement must identify the trust, and specifically must provide that the transferor is electing out of the automatic allocation of GST exemption with respect to the described transfer or transfers. Under § 26.2632-1(b)(2)(iii)(C), to elect out, the Form 709 with the attached election out statement must be filed on or before the due date for timely filing the Form 709 for the calendar year in which the ETIP closes.

Section 26.2632-1(c)(1)(i) provides that a direct skip or an indirect skip that is subject to an ETIP is deemed to have been made only at the close of the ETIP. The transferor may prevent the automatic allocation of GST exemption to a direct skip or an indirect skip by electing out of the automatic allocation rules at any time prior to the due date of

the Form 709 for the calendar year in which the close of the ETIP occurs (whether or not any transfer was made in the calendar year for which the Form 709 was filed, and whether or not a Form 709 otherwise would be required to be filed for that year).

Section 2642(b)(1)(A) provides that, except as provided in § 2642(f), if the allocation of the GST exemption to any transfers of property is made on a gift tax return filed on or before the date prescribed by § 6075(b) for such transfer or is deemed to be made under § 2632(b)(1) or (c)(1), the value of such property for purposes of § 2642(a) shall be its value as finally determined for purposes of chapter 12 (within the meaning of § 2001(f)(2)), or, in the case of an allocation deemed to have been made at the close of an ETIP, its value at the time of the close of the ETIP.

Section 2642(f)(1) provides that for purposes of determining the inclusion ratio, if an individual makes an inter vivos transfer of property, and the value of such property would be includible in the gross estate of such individual under chapter 11 if such individual died immediately after making such transfer (other than by reason of § 2035), any allocation of GST exemption to such property shall not be made before the close of the ETIP (and the value of such property shall be determined under § 2642(f)(2)).

Section 2642(f)(3) provides that for purposes of § 2642(f), the term “estate tax inclusion period” means any period after the transfer described in paragraph (1) during which the value of the property involved in such transfer would be includible in the gross estate of the transferor under chapter 11 if he died.

Section 2642(g)(1)(A) provides, generally, that the Secretary shall by regulation prescribe such circumstances and procedures under which extensions of time will be granted to make an election under § 2632(c)(5).

Section 2642(g)(1)(B) provides that in determining whether to grant relief under § 2642(g)(1), the Secretary shall take into account all relevant circumstances, including evidence of intent contained in the trust instrument or instrument of transfer and such other factors as the Secretary deems relevant. For purposes of determining whether to grant relief, the time for making the allocation (or election) shall be treated as if not expressly prescribed by statute.

Notice 2001-50, 2001-2 C.B. 189, provides that, under § 2642(g)(1)(B), the time for allocating the GST exemption to lifetime transfers and transfers at death, the time for electing out of the automatic allocation rules, and the time for electing to treat any trust as a GST trust are to be treated as if not expressly prescribed by statute. The Notice further provides that taxpayers may seek an extension of time to make an allocation described in § 2642(b)(1) or (2) or an election described in § 2632(b)(3) or (c)(5) under the provisions of § 301.9100-3.

Sections 301.9100-1 through 301.9100-3 provide the standards the Commissioner will use to determine whether to grant an extension of time to make an election. Section

301.9100-2 provides an automatic extension of time for making certain elections. Section 301.9100-3 provides the standards used to determine whether to grant an extension of time to make an election whose date is prescribed by a regulation (and not expressly provided by statute). In accordance with § 2642(g)(1)(B) and Notice 2001-50, a taxpayer may seek an extension of time to make an allocation described in § 2642(b)(1) or (b)(2) or an election described in § 2632(b)(3) or (c)(5) under the provisions of § 301.9100-3.

Section 301.9100-3(a) provides, in part, that requests for relief subject to § 301.9100-3 will be granted when the taxpayer provides the evidence to establish to the satisfaction of the Commissioner that the taxpayer acted reasonably and in good faith, and the grant of relief will not prejudice the interests of the Government.

Under § 301.9100-3(b)(1)(v), a taxpayer is deemed to have acted reasonably and in good faith if the taxpayer reasonably relied on a qualified tax professional, including a tax professional employed by the taxpayer, and the tax professional failed to make, or advise the taxpayer to make, the election.

Based upon the facts submitted and representations made, we conclude that the requirements of § 301.9100-3 have been satisfied. Therefore, Husband and, subject to Taxpayers signifying their consent to treat all of the gifts occurring in Year 2 and Year 5 as having been made one-half by each of them under § 2513, Wife are granted an extension of time of 120 days from the date of this letter to elect out of the automatic allocation rules under § 2632(c)(5)(A)(i)(I) with respect to the Year 1 transfer to GRAT 1, the Year 2 transfer to GRAT 2, and the Year 5 transfers to GRAT 3 and GRAT 4.

Each election should be made on Forms 709 for the year in which the ETIP closed. The Forms 709 for Year 2, Year 3, Year 5, Year 6, and Year 7 should be filed with the Kansas City Service Center at the following address: Department of the Treasury, Internal Revenue Service Center, Kansas City, MO 64999, and the supplemental Forms 709 for Year 4 should be filed with the Internal Revenue Service Center at the following address: Internal Revenue Service Center, Attn: E&G, Stop 824G, 7940 Kentucky Drive, Florence, KY 41042-2915.
