### LEGEND

Taxpayer =

Individual A =

Date A =

Dear :

This replies to a letter dated October 19, 1999, in which Taxpayer requests an extension of time under Treas. Reg. § 301.9100-3 to elect § 1.861-8(e)(6)(ii)(D)(2) for the taxable year ended on Date A. Additional information was submitted in letters dated February 15, 2000 and June 13, 2000. The information submitted for consideration is substantially as set forth below.

The ruling contained in this letter is predicated upon facts and representations submitted by the taxpayer and accompanied by a penalty of perjury statement executed by an appropriate party. This office has not verified any of the material submitted in support of the request for a ruling. Verification of the factual information, representations, and other data may be required as a part of the audit process.

Taxpayer asserts it reasonably relied on qualified tax professionals employed by the Taxpayer and the tax professionals failed to advise Taxpayer to make the election.

Reg. § 301.9100-1(c) provides that the Commissioner may grant a taxpayer a reasonable extension of time to make a regulatory election under all subtitles of the Internal Revenue Code except subtitles E, G, H, and I under the standards set forth in § 301.9100-3

Treas. Reg. § 301.9100 -1(b) defines a regulatory election as an election whose due date is prescribed by a regulation, a revenue ruling, revenue procedure, notice, or announcement.

Treas. Reg. § 301.9100-3 provides standards for extensions of time for making

In re: PLR-118871-99

regulatory elections.

Treas. Reg. § 301.9100-3(a) provides that requests for relief subject to this section will be granted when the taxpayer provides the evidence (including affidavits described in § 301.9100-3(e)) to establish to the satisfaction of the Commissioner that the taxpayer acted reasonably and in good faith, and the grant of relief will not prejudice the interests of the Government.

In the present situation, the election that is the subject of this ruling request is a regulatory election as defined in § 301.9100-1(b). Therefore, the Commissioner has discretionary authority under § 301.9100-1(c) to grant Taxpayer an extension of time, provided that Taxpayer satisfies the standards set forth in § 301.9100-3(a).

Based on the facts and circumstances of this case, we conclude that Taxpayer satisfies § 301.9100-3(a)). Accordingly, Taxpayer is granted an extension of time until 30 days from the date of this ruling letter to elect § 1.861-8(e)(6)(ii)(D)(2) for the taxable year ended on Date A. The granting of an extension of time is not a determination that Taxpayer is otherwise eligible to make the election. § 301.9100-1(a).

This ruling is directed only to the taxpayer who requested it. I.R.C. § 6110(k)(3) provides that it may not be used or cited as precedent.

No ruling has been requested, and none is expressed, as to the application of any other section of the Code or regulations to the facts presented.

Sincerely,

Allen Goldstein
