LEGEND

X =

State =

Date 1 =

Dear :

This responds to a letter dated September 14, 2015, and subsequent correspondence, submitted on behalf of X, requesting that the Service grant X an extension of time under § 301.9100-3 of the Procedure and Administration Regulations to file an election under § 301.7701-3(c) to be treated as an association taxable as a corporation for federal tax purposes effective on Date 1.

FACTS

According to the information submitted, X was formed under the laws of State on Date 1. X represents that it is an entity eligible to elect to be treated as an association taxable as a corporation for federal tax purposes. X intended to be treated as an association taxable as a corporation for federal tax purposes effective Date 1. However,

due to inadvertence, X failed to timely file Form 8832, Entity Classification Election, to elect to be treated as an association taxable as a corporation for federal tax purposes.

LAW AND ANALYSIS

Section 301.7701-3(a) provides in part that a business entity that is not classified as a corporation under § 301.7701-2(b)(1), (3), (4), (5), (6), (7), or (8) (an eligible entity) can elect its classification for federal tax purposes. An eligible entity with at least two members can elect to be classified as either an association or a partnership, and an eligible entity with a single owner can elect to be classified as an association or to be disregarded as an entity separate from its owner.

Section 301.7701-3(b)(1) provides that except as provided in § 301.7701-3(b)(3), unless the entity elects otherwise, a domestic eligible entity is (i) a partnership if it has two or more members; or (ii) disregarded as an entity separate from its owner if it has a single owner.

Section 301.7701-3(c)(1)(i) provides, in part, that an eligible entity may elect to be classified other than as provided under § 301.7701-3(b), or to change its classification, by filing Form 8832, Entity Classification Election, with the service center designated on Form 8832.

Section 301.7701-3(c)(1)(iii) provides that an election made under § 301.7701-3(c)(1)(i) will be effective on the date specified by the entity on Form 8832 or on the date filed if no such date is specified on the election form. The effective date specified on Form 8832 can not be more than 75 days prior to the date on which the election is filed and can not be more than 12 months after the date on which the election is filed. If an election specifies an effective date more than 75 days prior to the date on which the election is filed, it will be effective 75 days prior to the date it was filed.

Section 301.9100-1(c) provides that the Commissioner may grant a reasonable extension of time to make a regulatory election, or a statutory election (but no more than 6 months except in the case of a taxpayer who is abroad), under all subtitles of the Internal Revenue Code except subtitles E, G, H, and I. Section 301.9100-1(b) defines the term “regulatory election” as an election whose due date is prescribed by a regulation published in the Federal Register or a revenue ruling, revenue procedure, notice, or announcement published in the Internal Revenue Bulletin.

Sections 301.9100-1 through 301.9100-3 provide the standards the Commissioner will use to determine whether to grant an extension of time to make the election. Section 301.9100-2 provides the rules governing automatic extensions of time for making certain elections. Section 301.9100-3 provides the standards the Commissioner will use to determine whether to grant an extension of time for regulatory elections that do not meet the requirements of § 301.9100-2. Under § 301.9100-3, a request for relief will

be granted when the taxpayer provides evidence to establish to the satisfaction of the Commissioner that (1) the taxpayer acted reasonably and in good faith, and (2) granting relief will not prejudice the interests of the government.

CONCLUSION

Based solely on the information submitted and the representations made, we conclude that the requirements of § 301.9100-3 have been satisfied. As a result, X is granted an extension of time of 120 days from the date of this letter to file a Form 8832 with the appropriate service center to elect to be treated as an association taxable as a corporation for federal tax purposes effective Date 1. A copy of this letter should be attached to the Form 8832 filed for X.

Except as specifically set forth above, we express or imply no opinion concerning the federal tax consequences of the facts of this case under any other provision of the Code.

This ruling is directed only to the taxpayer requesting it. Section 6110(k)(3) provides that it may not be used or cited as precedent.

Pursuant to a power of attorney on file with this office, we are sending a copy of this letter to X's authorized representatives.

Sincerely,

Faith P. Colson
