Dear :

This letter responds to a letter dated October 8, 2008 written on behalf of X, requesting a ruling under §§ 301.9100-1 and 301.9100-3 of the Procedure and Administration Regulations that X be granted an extension of time to file an election to be classified as a partnership under § 301.7701-3 effective d1.

FACTS

According to the information submitted, X was formed on or about d1 as a Y under the laws of Country. At the time of its formation, X was classified by default as an association taxable as a corporation for federal tax purposes. The members of X intended that X be classified as a partnership for federal tax purposes effective d1. The members of X relied upon a qualified tax professional to advise them concerning the election to classify X as a partnership. However, due to inadvertence, the qualified tax professional failed to advise X concerning the election, and X failed to file timely Form 8832, Entity Classification Election.

LAW AND ANALYSIS

Section 301.7701-1(b) provides that the classification of organizations that are recognized as separate entities is determined under §§ 301.7701-2, 301.7701-3 and 301.7701-4. Section 301.7701-3(a) provides that a business entity that is not classified as a corporation under § 301.7701-2(b)(1), (3), (4), (5), (6), (7) or (8) (an eligible entity) can elect its classification for federal tax purposes as provided in § 301.7701-3.

Section 301.7701-3(b)(2)(i) provides that, unless it elects otherwise, a foreign eligible entity is (A) a partnership if it has two or more members and at least one member does not have limited liability; (B) an association if all members have limited liability; or (C) disregarded as an entity separate from its owner if it has a single owner that does not have limited liability. Section 301.7701-3(b)(2)(ii) provides that a member of a foreign eligible entity has limited liability if the member has no personal liability for the debts of or claims against the entity by reason of being a member.

Section 301.7701-3(c)(1)(i) provides that an eligible entity may elect to be classified other than as provided in § 301.7701-3(b), or to change its classification, by filing Form 8832 with the service center designated on Form 8832.

Section 301.7701-3(c)(1)(iii) provides that an election made under paragraph (c)(1)(i) of that section will be effective on the date specified by the entity on Form 8832 or on the date filed if no such date is specified on the election form. The effective date specified on Form 8832 can not be more than 75 days prior to the date on which the election is filed and can not be more than 12 months after the date on which the election is filed.

Section 301.9100-1(c) provides that the Commissioner has discretion to grant a reasonable extension of time under the rules set forth in §§ 301.9100-2 and 301.9100-3 to make a regulatory election, or a statutory election (but no more than six months except in the case of a taxpayer who is abroad), under all subtitles of the Code, except subtitles E, G, H, and I. Section 301.9100-1(b) defines a regulatory election to include an election whose due date is prescribed by a regulation published in the Federal Register.

Section 301.9100-2 provides the rules governing automatic extensions of time for making certain elections. Section 301.9100-3 sets forth the standards the Commissioner will use to determine whether to grant an extension of time for regulatory elections that do not meet the requirements of § 301.9100-2.

Section 301.9100-3(a) provides that requests for relief subject to § 301.9100-3 will be granted when the taxpayer provides the evidence (including affidavits described in § 301.9100-3(e)) to establish to the satisfaction of the Commissioner that the taxpayer acted reasonably and in good faith, and that granting relief will not prejudice the interests of the Government.

CONCLUSION

Based on the facts submitted and the representations made, we conclude that the requirements of §§ 301.9100-1 and 301.9100-3 have been satisfied. As a result, X is granted an extension of time of 60 days from the date of this letter to file Form 8832 with the appropriate service center and to elect to be classified as a partnership for federal tax purposes effective d1. A copy of this letter should be attached to the Form 8832. A copy is enclosed for that purpose.
