Dear :

This is in response to a letter dated June 25, 2012, submitted on behalf of  $\underline{X}$ , requesting an extension of time under § 301.9100-3 of the Procedure and Administration Regulations to file an election under § 301.7701-3(c) to be treated as an association taxable as a corporation for federal tax purposes.

# **FACTS**

According to the information submitted,  $\underline{X}$  was formed on  $\underline{D}$  under the laws of  $\underline{Country}$ .  $\underline{X}$  intended to be treated as an association taxable as a corporation for federal tax purposes effective  $\underline{D}$ . However,  $\underline{X}$  inadvertently failed to timely file Form 8832, Entity Classification Election, electing to be treated as an association taxable as a corporation for federal tax purposes.

 $\underline{X}$  represents that the granting of relief will not prejudice the interests of the government.  $\underline{X}$  also represents that its failure to file Form 8832 was reasonable and that it has acted in good faith.

## LAW AND ANALYSIS

Section 301.7701-3(a) provides that a business entity that is not classified as a corporation under § 301.7701-2(b)(1), (3), (4), (5), (6), (7), or (8) (an eligible entity) can elect its classification for federal tax purposes. An eligible entity with at least two members can elect to be classified as either an association or a partnership.

Section 301.7701-3(b)(2) provides guidance on the classification of a foreign eligible entity for federal tax purposes. Generally, unless a foreign eligible entity elects otherwise, the entity is treated as (A) a partnership if it has two or more members and at least one ember does not have limited liability; (B) an association if all members have limited liability; or (C) disregarded as an entity separate from its owner if it has a single owner that does not have limited liability.

Section 301.7701-3(b)(2)(i) provides that unless an entity elects otherwise, a foreign eligible entity is (A) a partnership if it has two or more members and at least one member does not have limited liability; (B) an association if all members have limited liability; or (C) disregarded as an entity separate from its owner if it has a single owner that does not have limited liability.

Section 301.7701-3(c)(1)(i) provides that an eligible entity may elect to be classified other than as provided in § 301.7701-3(b) by filing Form 8832 with the designated service center. Section 301.7701-3(c) provides that an entity classification election must be filed on Form 8832 and can be effective up to 75 days prior to the date the form is filed or up to 12 months after the date the form is filed.

Section 301.7701-3(c)(2) provides that an election made under § 301.7701-3(c)(1)(i) must be signed by (A) each member of the electing entity who is an owner at the time the election is filed; or (B) any officer, manager, or member of the electing entity who is authorized (under local law or the entity's organizational documents) to make the election and who represents to having such authorization under penalties of perjury.

Under § 301.9100-1(c), the Commissioner may grant a reasonable extension of time to make a regulatory election, or a statutory election (but no more than six months except in the case of a taxpayer who is abroad), under all subtitles of the Internal Revenue Code, except subtitles E, G, H, and I. Section 301.9100-1(b) defines the term "regulatory election" as including an election whose due date is prescribed by a regulation published in the Federal Register.

Sections 301.9100-1 through 301.9100-3 provide the standards that the Commissioner will use to determine whether to grant an extension of time to make an election. Section 301.9100-1(a).

Section 301.9100-2 provides automatic extensions of time for making certain elections. Section 301.9100-3 provides rules for requesting extensions of time for regulatory elections that do not meet the requirements of § 301.9100-2.

Requests for relief under § 301.9100-3 will be granted when the taxpayer provides evidence to establish that the taxpayer acted reasonably and in good faith, and that granting relief will not prejudice the interests of the government.

### CONCLUSION

Based solely on the facts submitted and the representations made, we conclude that the requirements of § 301.9100-3 have been satisfied. As a result,  $\underline{X}$  is granted an extension of time of 120 days from the date of this letter to make an election to be treated as an association taxable as a corporation for federal tax purposes effective  $\underline{D}$ .  $\underline{X}$  should make the election by filing a properly executed Form 8832 with the appropriate service center. A copy of this letter should be attached to the form.

This ruling is contingent on the owner of X filing all required Federal income tax and informational returns (including amended returns) consistent with the requested relief granted in this letter. A copy of this letter should be attached to any such return.

Except as expressly provided herein, no opinion is expressed or implied concerning the tax consequences of any aspect of any transaction or item discussed or referenced in this letter.

This ruling is directed only to the taxpayer requesting it. Section 6110(k)(3) provides that it may not be used or cited as precedent.

In accordance with the Power of Attorney on file with this office, a copy of this letter is being sent to your authorized representatives.

Sincerely,

Associate Chief Counsel (Passthroughs & Special Industries)
